## Middle School Honor Band

*in concert*

4 pm Saturday  
January 20, 2001  
Fine Arts Center  
University of Nebraska - Kearney  
Dr. Quincy C. Hilliard, conductor

## about the conductor

Dr. Quincy C. Hilliard's compositions for wind band are published by Boosey & Hawkes, Carl Fischer, Neil A. Kjos, Bourne, C.L. Barnhouse, Southern Music, TRN, Counterpoint, Harold Gore, Mace, and are performed throughout the world. He is frequently commissioned to compose works, including one for the 1996 Olympic Games in Atlanta and the score for a documentary film, *The Texas Rangers*. For many years, the American Society of Composers, Authors, and Publishers (ASCAP) has recognized him with annual awards for the unusually frequent performance of his compositions. Hilliard is regularly invited to conduct, demonstrate effective techniques, and adjudicate festivals throughout the world.

Because Hilliard, the composer, conductor, and educator, is also a scholar of Aaron Copland's music and life, the Copland estate administrators authorized Hilliard to publish the educational performance edition, *Copland for Solo Instruments* (Boosey and Hawkes, 1999). To train school band students, he wrote *Theory Concepts* and is co-author of the *Skill Builders, Books One and Two* (Sound Spectacular Series, Carl Fischer, 1996). He has published articles in the *Opera Journal*, *The Instrumentalist*, *School Musician*, *Bandworld*, *American Music Teacher*, *Florida Music Director*, and *Tennessee Musician*.

Dr. Hilliard is composer in residence and holds the Heymann Endowed Professorship of music at the University of Louisiana, Lafayette. He serves as a composer, clinician, consultant for Boosey & Hawkes Publishers and Carl Fischer Publishers. He is also president of Hilliard Music Enterprises, Inc. a personal consulting firm, which has a corporate board of distinguished music educators.
